## **A woman's story of living under the direct intervention of God**

*Gloria Divine pens a new-style Christian autobiography, 'Perfect Company'*

SYDNEY – Gloria Divine explains that her life was threatened many times by evildoers, but Jesus was always there. Her new book, "Perfect Company" ([published by Balboa Press](#)), almost did not happen. She experienced many spiritual and physical difficulties during its production. She however says that with the help of Jesus, His Mother and the Saints, she lived to tell the story. "Satan and his agents worked hard to prevent this book from being published," she says. "But Jesus was always ahead of them."

'Perfect Company' is an exciting and intriguing piece of work in which Jesus reveals many of His secrets to her one by one. She shares a unique spiritual insight into how Jesus can act in an integral way with people. The book encompasses everyday life situations, dreams and inspirations, showcasing how God guided each aspect and situation in her life. This book will leave readers with a different perspective of the world in which they live.

"In the reflection of this book, we realize that God our creator is very near to us," says Divine. "We are His sacred temples. He hears, sees, and knows everything about us. He is interested in our lives and more interested in our souls. He will befriend each one of us if we let Him."

An excerpt from 'Perfect Company':

*"At about 5.30 am, I was awakened by another dream. This time a white child was being held by its mother. She looked like the Mother of God in the form of Our Lady Help of Christians, and the child was about 4-6 months old. It was like we were in a market place very similar to Flemington Market here in Sydney. Although there were only a few people around, there was so much noise I had to extend my neck to hear. The child said, 'I am not giving you the dream again. It was given for the Glory of the Lord Jesus Christ.'*

*I was in such awe and shock that I fell on my knees with a desire to serve and revere Him, but I woke up quickly and made notes of the dream."*
