Gloria Divine shares with others her experiences with Jesus

'Perfect Company II' presents the author's continuing account of her spiritual life and encounters

SYDNEY – In 2006, Jesus encouraged Gloria Divine to write and to share her personal experiences with him and with the saints in her everyday life. “Perfect Company II” ([published by Balboa Press AU](#)), her second book in this series, is a continuation of that effort.

“With the release of my first book in 2013, Jesus continued to allow me to identify various issues and circumstances happening in the world and around me,” the author shares. “The topics that I cover are situations which includes various struggles particular in the workplace and in the church.”

“Perfect Company II” gives readers a good insight into Divine’s real life experiences pertaining to the supernatural and everyday life with Jesus. She explores various religious topics, seeking to explain certain factors to those who might be unsuspecting, commenting on aspects of spiritual life ... granted. She tries to clarify the many misconceptions that people have about God and awaken them to the reality of his existence.

This book is a spiritual adventure more than a personal narrative and testimonial. It seeks to remind and alert others that they are never alone. Jesus is her perfect companion.
