One woman's encounters with Jesus, Mother Mary, and the Saints

Gloria Divine announces the release of 'Perfect Company III: Persecutions'

SYDNEY – In her previous publications titled “Perfect Company: Jesus Reveals Secrets” and “Perfect Company II: Jesus Made Me a Saint,” Gloria Divine gives readers a good insight into her real life experiences pertaining to the supernatural and everyday life with Jesus. She explores various religious topics, seeking to explain certain factors to those who might be unsuspecting, commenting on aspects of spiritual life. She tries to clarify the many misconceptions that people have about God and awaken them to the reality of his existence.

“Today we are struck with COVID-19 and many people will want to stop and consider the meaning of life and importantly, their lives. This book gives them hope. By reading another person's life experiences with God, they will learn that they are not alone, God is still interested in us and desires to come closer if we invite Him,” Divine says. “Many people are skeptical and do not know what to believe. They are not tuning into God-filled media channels. They are engrossed in the world and therefore cannot see God working in their lives. By the recorded experiences in this book, people will see that God is working in our lives and he is ever present.”

In this third book, “Perfect Company III: Persecutions” ([published by Balboa Press AU](#)), Divine shares her encounters with Jesus, Mother Mary, and the Saints. She shows that they are very real and demonstrates how we can stay close to them. It also shows how the heavenly ones guided and guarded her from a barrage of evil influences, attacks and spiritual battles. This aid was mainly given to her through dreams and other context as well.

When asked what she wants readers to take away from this book, Divine answers, “I would like readers to believe what they read. To observe the teachings mentioned and put them into practice. To enjoy reading the book and the many situational stories displayed in it. To strengthen their faith in God. To take their Bibles seriously. To observe and keep the Commandments. To recognize that Jesus Christ is not a myth or a liar. To practice what Jesus tells us. To tell others about the book and its teachings and to not trust the world and what it offers.”
